

Item	Action Item/Recommendation	Status	Priority Ranking	Staff Comments	Contact Team Comments
1	The UHWP Neighborhood Plan Contact Team, in coordination with property owners and Windsor Park Branch Library staff, should acquire public easements and allocate funding to construct a pathway from Belmoor Drive to Westminster Road across the Windsor Park Branch Library's property. Follow the route established by the existing "path of desire" as closely as possible to increase the path's usefulness to area residents.	Not Currently Feasible or Recommended	Not Ranked	10/11: NPZD planners met with Austin Public Library Facilities planners, property owners and library staff to try to implement this project. At this time, private property owners are not willing to allow for public access. Funding may be available for this project.	
2	Support the Windsor Park Neighborhood Association's efforts to secure funding for the construction of a crushed granite trail through Bartholomew Park. PARD should sponsor this trail project by applying for a Texas Parks and Wildlife Recreational Trails Grant in May 2007. In conjunction with PARD's grant, the Windsor Park Neighborhood Association should apply for an Austin Parks Foundation grant to further finance the trail project.	Planned Project	5 Windsor Park	12/2015 (PAZ): No change in status. 12/2014 (PARD): This project is anticipated, but funds have not yet been appropriated. 12/2013 (PDRD): PARD intends to build a one-mile trail with 2012 bond funds. 9/2011 (PARD): Master Plan was completed in 2010 and funding is not yet available for implementation. This project may be funded in future bond programs. Recommend Public Works be a secondary resource for connectivity to Mueller Development.	8/2011 (NPCT): To improve the facilities at Bartholomew so that WP residents are not forced to go to the Mueller development for nicer amenities. The difference between the two parks is astonishing. 8/2008 (NPCT): Windsor Park citizens have been working on Bartholomew Park improvements for years, and this is a priority to enhance use of the Park and also aid in connection to Mueller.
3	Connect the Rathgeber Village/ Mueller Hike and Bike trail to the east end of Bartholomew Park and the park's planned trail.	Not Yet Initiated	4 Windsor Park	1/2014 (PARD): No acquisition dollars available to make this requested connection. New trail referenced in the recommendation in Bartholomew Park is funded through the 2012 Bonds and is anticipated for construction in FY 2017. 9/2011 (PARD): This is not financially feasible at this time. All acquisition dollars have been allocated to other land priorities. No action - 0.5 linear miles @ \$1M per linear mile for the average 12' concrete trail. All estimates are at today's construction costs and subject to change in the future.	8/2011 (NPCT): To help connect the Mueller development and WP so that 51st is not viewed as a divide between the neighborhoods.

4	Construct sidewalks on Sheridan from Clayton Lane to Hwy 290.	Not Yet Initiated	Not Ranked	2/2011 (Public Works): No funding available. 12/2009 (Public Works): Included in the sidewalk master plan; will be added to the 5-year plan and constructed as funding becomes available. 6/2009 (PDR): Planning Commission CIP Subcommittee recommended project for the FY 2009-10 CIP 5-Year Plan. 5/2009 (Public Works): 2,400 linear feet @ \$24/square foot or \$120 lineal foot for the average 5' sidewalk. Sidewalk matrix score: High. All estimates are at today's construction costs and subject to change in the future.	10/2008: Windsor Park's #2 priority for FY 2009-10. 8/2008 (NPCT): Route to Harris elementary school.
5	Construct sidewalks on Patton Lane from Berkman Drive to Mira Loma.	Partially Complete	Not Ranked	2/2014 (PDRD): A sidewalk has been constructed on the south side between Berkman and Hickman Avenue. The remaining gap between Hickman and Mira Loma is approximately 700.'	
6	Construct sidewalks on Dubuque from Susquehanna to Val.	Partially Complete	Not Ranked	2/2014 (PDRD): A sidewalk was constructed on the east side of Dubuque in this location prior to 2007.	
7	Construct sidewalks on Manor Road from Walnut Hills to Carol Ann.	Partially Complete	Not Ranked	2/2014 (PDRD): Sidewalks were constructed on the south side of Manor from Walnut Hills Drive to Vioitha Drive and on both sides from Vioitha to Carol Ann prior to 2007.	
8	Construct sidewalks on Rogge from Westminster to Manor Road.	Partially Complete	Not Ranked	2/2014 (PDRD): A sidewalk was constructed on the south side of Rogge in this location prior to 2007. 2/2011 (Public Works): No funding available. 5/2009 (Public Works): 3,000 linear feet @ \$24/square foot or \$120 lineal foot for the average 5' sidewalk. Sidewalk matrix score: Medium/High. All estimates are subject to change in the future.	10/2008: Windsor Park's #9 priority for FY 2009-10. 8/2008 (NPCT): Route to Pierce Middle School.

Item	Action Item/Recommendation	Status	Priority Ranking	Staff Comments	Contact Team Comments
9	Construct sidewalks on 51st Street from Mueller to Manor Road.	Partially Complete	Not Ranked	12/2015 (PAZ): The East 51st Street Vision Plan calls for sidewalks from Mueller Blvd. to Berkman Drive. Some funding from the 2012 bond has been set aside for implementation of the vision plan but not enough to complete all of the recommended improvements. 10/2015 (PAZ): The sidewalk on the north side is complete, as seen in Google imagery. A sidewalk is lacking on the south side.	8/2008 (NPCT): Connection to Mueller
10	Construct sidewalks on Lancaster Court from 51st street to 52nd Street.	Planned Project	Not Ranked		8/2008 (NPCT): Connection to Mueller
11	Construct sidewalks on 52nd street from Cameron Road to Promise Land property.	Planned Project	Not Ranked		8/2008 (NPCT): Connection to Mueller
12	Construct or stripe bicycle lanes on Briarcliff from Cameron Road to Wellington	Partially Complete	Not Ranked	5/2016: Routine street maintenance scheduled on Briarcliff, between Cameron and Berkman, presents oppportunities for safety and mobility improvements including bike lanes. ATD held open house to solicit community input.2/2014 (PDRD): The Bike Plan recommends a bike lane in this location. 11/2011 (Public Works): Bike Lanes completed on Gaston Place (an extension of Briarcliff) from Berkman Drive to North Hampton Drive. This completes this request east of Berkman Drive.	
13	Construct an alternate entrance for the [Dottie Jordan] pool's restroom facilities to allow for access after the recreation center is closed (evenings, weekends, holidays).	Not Yet Initiated	Not Ranked		
14	Expand the Dottie Jordan Recreation Center Building; the center's single room limits the space available for needed programs offered at the park.	Not Yet Initiated	3 Univ. Hills; 10 Windsor Park	1/2014 (PARD): No funding available for expansion of this facility. Prior comments still applicable. 9/2011 (PARD): No current plans for expansion of this facility. Staffing/programming impacts need consideration prior to further planning.	9/2011 (PDRD): University Hills's #8 priority for FY 2012-13. 8/2011 (NPCT): So that both WP and UH residents are not compelled to seek nicer facilities outside of the neighborhoods.

Item	Action Item/Recommendation	Status	Priority Ranking	Staff Comments	Contact Team Comments
15	Enhance [Dottie Jordan] park amenities: Install more barbeque pits, concrete picnic tables in shaded areas, water fountains, picnic tables or chairs/benches inside the pool fence.	Not Yet Initiated	Not Ranked	9/2014 (PDRD): The park has 5 picnic tables and grills along the creek and near the tennis courts and playscape. Most of these are shaded by trees. Most picnic tables are wooden, but there is one concrete picnic table.	
16	Construct a push-button water sprinkler area outside the pool fencing that can operate beyond the pool's operational season [at Dottie Jordan park].	Not Yet Initiated	Not Ranked	12/2010 (PARD): Item was completed October 2010. [0/2015 PAZ note: This comment appears to apply to Bartholomew Park, not Dottie Jordan.]	
17	Improve basketball facilities at Dottie Jordan Park; install good quality lights for night-time play, a cover over the court to offer sun protection, and build a nearby water fountain.	Not Yet Initiated	Not Ranked		
18	Install a sand volleyball pit to the west of the of the [Dottie Jordan] recreation center.	Not Yet Initiated	Not Ranked		
19	Install additional playscape equipment at Bartholomew Park.	Partially Complete	9 Windsor Park	12/2014 (PARD): The neighborhood association has received a grant to fund two shade structures. PARD is currently reviewing the proposal. A third shade structure is desired but not yet funded. 6/2014 (PDRD): The Windsor Park Neighborhood Association is raising funds for shade structures over the playscapes and seeking out business supporters. 1/2014 (PARD): Shade for new play equipment is not currently funded under the 2012 Bond program and may be considered as part of a Parkland Dedication request. 9/2011 (PARD): New play equipment installed in early 2008. Shade structures were not included; could be a future consideration. Master Plan was completed in 2010 and funding is not yet available for implementation. This project may be funded in future bond programs. Recommend Public Works be a secondary resource for connectivity to Mueller Development.	8/2011 (NPCT): To improve the facilities at Bartholomew so WP residents don't have to go to the parks at the Mueller development. 8/2008 (NPCT): WPNPCT wants shaded playscape equipment.

Item	Action Item/Recommendation	Status	Priority Ranking	Staff Comments	Contact Team Comments
20	Acquire parkland to serve the residents living in the area between IH-35, Hwy 290 and Cameron Road.	Planned Project	8 Windsor Park	1/2014 (PARD): PARD Long Range Plan has identified this land as a priority for land acquisition. 9/2011 (PARD): All acquisition dollars have been allocated to other land priorities, but this could be part of a future bond program. 5/2009 (PARD): PARDs Long Range Plan has identified this area as a priority in acquiring land for a park. However, PARD has not been successful in finding availability of land to purchase in this area. The plan is to enhance existing parks nearby.	8/2011: To allow WP residents at the northwestern end, where there are a large group of children access to a park that is within safe walking distance. 10/2008: Windsor Park's #10 priority for FY 2009-10. 8/2008: WPNPCT urges the city to acquire parkland in any underserved areas in Windsor Park.

Item	Action Item/Recommendation	Status	Priority Ranking	Staff Comments	Contact Team Comments
21	Support the allocation of additional funding for the Parks and Recreation Department that is earmarked for a new recreation center. Stakeholders have identified the Boy Scout office on Hwy 290 as a potential future location for a community center if the Boy Scouts organization were to relocate. (See the Parks chapter).	Not Currently Feasible or Recommended	2 Univ. Hills	1/2014 (PARD): Prior comment is still applicable. 9/2011 (PARD): This is not financially feasible at this time. All acquisition dollars have been allocated to other land priorities.	9/2011 (PDRD): University Hills's #4 priority for FY 2012-13. 6/2011: The Boy Scout building is listed for \$440,000. This is the NPCT's first choice. A dedicated senior center is preferred, but a multi-use community center would be okay. The neighborhood would be more than willing to staff volunteers that can assist with the operations of the center. Expanding the Dottie Jordan Recreation Center would be challenging because the park is located in the floodplain. They looked into expanding this center a few years ago but elected to build a pavilion instead because of the challenges associated with building in the flood plain. 8/2008: Would like any additional funds allocated to improvements at Dottie Jordan (e.g., restrooms, canopy over the basketball court, and enlarge the rec center.

22	Redesign the Gaston Place/ Westminster intersection to eliminate the numerous right-turn lanes.	Not Yet Initiated	Not Ranked		
23	Conduct traffic calming studies on Briarcliff between Cameron Road and Berkman Drive	Planned Project	Not Ranked	5/2016: Routine street maintenance scheduled on Briarcliff presents oppportunities for safety and mobility improvements. ATD held open house to solicit community input. 9/2014 (PDRD): To learn how to submit an application for traffic calming, please visit the webpage for the Local Area Traffic Management Program at <a href="http://www.austintexas.gov/department/local-area-traffic-management">http://www.austintexas.gov/department/local-area-traffic-management</a> .	
24	Study and implement methods to improve safety where Manor Road curves at its intersection with Wheless.	Not Yet Initiated	Not Ranked		
25	Install a crosswalk at Berkman Drive at the entrance to Randall's grocery store.	Not Yet Initiated	Not Ranked	7/2015 (PAZ): The nearby intersection of Berkman Drive and Patton Lane will be studied for possible installation of a traffic signal. If a signal is installed here, it would probably pedestrians with a safer place to cross within 175' of the Randalls driveway.	
26	Install a crosswalk at 51st Street at Tillery (to connect planned Bartholomew Park trail with Mueller/Rathgeber Hike and Bike trail systems).	Not Yet Initiated	Not Ranked	3/2015 (PDRD): Tillery Street has not yet been constructed. 8/2007 Implementation Note: Catellus plans to install a traffic light along with a crosswalk at this particular location once Tillery Street opens.	
27	Install a crosswalk on Northeast Drive at Willamette.	Not Yet Initiated	Not Ranked	3/2015 (PDRD): This proposed crosswalk is located on the north side of the Bertha Sadler Means Young Women's Leadership Academy.

28	<p>The UHWP Neighborhood Plan Contact Team should establish and maintain working relationships with City of Austin Watershed Protection &amp; Development Review staff to notify them of erosion problem areas along the creek and work with staff to develop solutions to address increased erosion resulting from impacts of greater impervious cover in the planning area and surrounding areas. WPDR staff can meet with interested neighborhood residents to walk the creek and discuss additional erosion control measures, prioritization of these measures in the context of other erosion control projects throughout the city, timelines for their completion, etc.</p>	Planned Project	1 Univ. Hills	<p>5/2015 (WPD): Marywood Stream Rehabilitation project (in-house) currently in design 2015, construction in 2017. 8/2013 (WPD) Staff met with Neighborhood point person(s) (on 5/2012) to discuss erosion control priorities. This area is on WPD radar; no design work done yet.</p>	<p>9/2011 (PDRD): University Hills's #3 priority for FY 2012-13. 8/2011: NPCT is requesting assistance with erosion issues along Little Walnut Creek.</p>
